In the morning when I woke up I found the balcony door wide open and the window pane near the door was broken. The coffer was empty too. He would have jumped over from the other house, broken the window pane, opened the inside lock maybe using a master key and taken away everything.
Police Officer	How fast were you all sleeping as to not to even hear someone breaking the window pane?
Shekhar:	Sorry sir, but we had returned home late last night from a wedding of a close friend and were very tired. My wife had herself put the jewelry back to the coffer after taking them off and everything was alright by then. We slept as soon as we hit the bed. Kids were sleeping in their room. We did not hear any sound at all.

JUDGE That will be decided later. To arrive at an impartial judgment, I need to hear facts of the case from both the parties.

AT DESIGN STUDIO

JULIE: Hello, I need to see Martha, the dress designer.

DESIGNER: Yes, I am Martha. Please tell how I can help you.

JULIE: Oh so sorry, I didn't recognize you. You look quite different from the ad in the magazine. Actually, this is my first visit to your boutique.

DESIGNER: No problem. How did you come to know about this place?

JULIE: From a friend of mine, Maria. She is an old client of yours. She talks a lot about your work.

DESIGNER: Oh! I guess I remember her. Maria from Park Street?

JULIE: Yes exactly. We are from the same college. She is my fellow bencher.

DESIGNER: Okay. She often comes here. She has a very **eclectic** taste in clothing. She has always been a very challenging customer because her demands are all out-of-the-world always. Anyway tell me, how can I help you?

JULIE: I just want to say that I am really having a very difficult time to keep up with what is **in vogue** nowadays. My friends say that I have a terrible sense of dressing, as well as mixing and matching my outfits. I have always bought clothes **off the peg**. This is the first time I am out to get my dresses designed and I want to change my wardrobe completely this time.

DESIGNER: Well dear, I always tell my clients that it is not a good thing to become a slave to fashion and blindly try to keep up with what is in the trend. Wear what you are the most comfortable with and what you can carry all day long without having to worry about having a scene of wardrobe malfunction. People come to me from all walks of life with almost a very similar demand – "*I want to wear the same cloth that JLo (Jennifer Lopez) has worn in the song 'Dance again!'*" or "*I need the same outfit of Anne Hathaway from movie 'The Devil Wears Prada'*"

DESIGNER: And trust me when I say this, these are the same people who after getting their dresses stitched, gripe in full disgust "*Oh my god, this dress is so see-through, how can I wear it?*" or "*This dress is so tight that I even fear breathing in them.*"

JULIE: Okay. I got your point. Well I am not going to make such a demand. I am not that fashion **savvy anyway**. I am more like a fashion illiterate person. I just want to get some smart clothes to go with my personality well and which are timeless in style. I don't want to wander around the block looking like a mannequin model or a pin-up chick of fashion world.

DESIGNER: Glad to hear that. Well, I will surely help you find the right kind of dresses for you which will not only help you shield the shortcomings of your body structure but will also add to your personality.

JULIE: That is exactly what I wanted to hear. Thanks a lot!

STARTING A BUSINESS VENTURE

Happy

Good morning, how are you?

Timsy

I am doing well. How about you? Hope everything is **hunky-dory** at your end.

Happy

Yeah, everything is going really well. Nowadays I am quite **tied up with** one of my key projects with Japan.

Timsy

What is your project all about? What does your company deal in?

Happy

My company has been exporting fabrics to China for few years and now we are beginning to export fabrics to Japan as one of my counterpart is now settled there and setting up this export business would prove **lucrative** for our company.

Timsy

What are the primary areas you are working upon to get this export business started? From where are you sourcing fabrics in India?

Happy

I had recently been to Surat in Gujarat as one of my friend has a humongous Textile mill there and they produce top-notch quality of cotton fabric. We would first start with the export of cotton fabric and then we would move onto silk and nylon.

Timsy

I know there is a huge market of Indian textiles across the world. But I guess these big mills are directly approaching the importers abroad, so why are they getting you as the middlemen?

Happy

You are right, these big mills are already into export businesses, but this friend of mine doesn't deal in export business and is very busy in dealing with his suppliers in India. On the contrary, he needs someone to help him. He knows that I am already exporting fabrics to China through many suppliers across India. Therefore he would want me to acquire fabric through his company and start the business in Japan and in China as well. Furthermore, my partner is now in Japan and he is already in talking terms with two companies who are interested in seeking fabrics from India. I hope things are going on the right track.

Timsy

That sounds really exciting. All the best for your new business venture, I hope that your hard work will eventually **pay off**.

Happy

What about your fashion designing work?

- Timsy** It's going good, now I have started doing freelancing. I think you can consider my designs as well for your export business.
- Happy** That's a good idea, but let me first start with the raw fabrics then we can move onto the finished products. Let's talk over about it some day
- Timsy** If you want, can I share my designs with you?
- Happy** Give me a month's time. After I send one export lot to Japan, we can meet and **talk over**. And yes, I will be needing your designs as well to start and will share with my counterparts in China and Japan.

ABOUT INDIAN CRICKET

Cricket Conversation

Raj	Hi everyone, how are you?
Akhil	I am great, how is everything going?
Sunny	Things are going fine at my end. How about you two?
Raj	I am snowed under these days with work and family commitments. I have no time for any kind of sports or leisure activities. What about you guys? Are you both into any kind of sport?
Akhil	My favorite sport is Cricket. My friends and I normally play every Sunday afternoon at the local sports complex. Trust me, we have a blast .
Sunny	Can I also join you guys next Sunday?
Akhil	You both can join us any time.
Raj	I could join you next week. Hope that's ok?
Akhil	Of course, there is no problem in that. It will be really great.
Sunny	By the way, are you watching cricket matches involving the Indian team? They have become really interesting these days.
Raj	Yes, sure. After Kohli became the captain, the matches have gone up a notch .

- Akhil** I think MS Dhoni was a better captain than Virat Kohli. I feel we shouldn't ignore Dhoni's efforts as a captain, he won the 2007 Twenty20 and also won the World Cup in 2011.

-
- Sunny** Ravinder Jadeja and Suresh Raina are two other players whose performances have taken a big leap.

Max - The Trainer

Gym Conversation

RECEPTIONIST Hello sir, welcome to Fitness Time. How may I help you?

KARAN	My dad and I want to join, but before that we would like to take a tour of the gym. Can we see the gym?
RECEPTIONIST	Yeah, sure. Let me call someone to give you a tour. (After taking the tour...)
RECEPTIONIST	How did you like the gym sir?
KARAN	It is good, spacious and well ventilated. Could you please tell me about the fitness trainers here? Are they all certified?
RECEPTIONIST	Yes sir. All our trainers are ACSM (American College of Sports Medicine) Certified. Apart from trainers we also have helpers on the floor for helping our clients in lifting heavy weights and for re-racking weights after use.
KARAN	That's very good. Can I talk to any of your trainers? I just need to ask some questions.
RECEPTIONIST	With pleasure sir.

FITNESS TRAINER: Hello sir, I am Max. I am a fitness trainer here. How can I help you?

KARAN: Hi. I just wanted to know that what kind of training approach is being followed here. I need to put on some serious weight as you can see I am so skinny and **lanky**.

FITNESS TRAINER: Sir, after you have joined here, you will be informed about the complete workout and dietary **regimen** which you will have to follow religiously in order to see some **discernible** change in your physique. For you, I would suggest at least four days of rigorous weight and strength training followed by just one day of mild-to-moderate cardio and some abs exercises. Throughout this bulking phase, you will have to **eat like a horse** and **sleep like a log**.

KARAN: Shall I be asked to take supplements later? What are the benefits and ramifications of taking these supplements?

FITNESS TRAINER: Yes sir, but it will depend on you completely whether you want to take them or not. Nobody will force you to take anything.

Moreover, we ask only those clients to take protein supplements who are very serious about their physique goals. Protein supplements are essential because the kind of healthy food we eat at home like milk, fruits and green vegetables do not contain all 21-essential-amino-acids. For people who want to put on quality muscle, these protein supplements complete the deficit of protein in their diet. There are no **side-effects** of taking these supplements but it is recommended to **keep a cap on** your daily intake.

KARAN: Okay. I was also a bit concerned about my dad who will be joining along with me. He is in his 60s and an asthmatic patient. What fitness approach would you recommend for him?

FITNESS TRAINER: Sir, we have Senior Fitness Trainers on floor all the time at our center. They are the ones who basically deal with all elderly people as well as people with any kind of past medical history like heart related, asthma or stroke related. You can bring your dad along without a worry. He will be taken care of properly.

KARAN: Okay. Thanks a lot! Could you tell me about the fee structure or packages that you run?

Fitness Trainer: I am afraid sir. I am not equipped with all the details about the fee packages. You can ask this at the reception. You will be thoroughly informed.

KARAN: Sure.

RECEPTIONIST: Welcome back sir. Are you satisfied talking to our trainer?

KARAN: Yes, totally. Could you tell me the fee structure or packages that are available?

RECEPTIONIST: Yes sir. Here is our manual mentioning all the monthly, quarterly and yearly packaging details. Please go through it once.

CONVERSATION about Dieting

Sakshi Hi Pooja. You look fantastic. Have you lost weight?

Pooja Hola Sakshi. Yeah. I've been on a diet for a couple of months now.

Sakshi Wow! Seriously, you look great.

Pooja Thanks for the compliment.

Sakshi What type of diet were you on?

Pooja A few months back, I joined a fitness center near my place and got useful tips and inputs from my personal trainer. With a combination of eating healthier and exercising better, I managed to lose 6 kg in 2 months.

Sakshi That's amazing. What tips did your trainer give you?

Pooja Mostly on how to exercise properly, but the best advice I got was to bring a change in my eating habits. Instead of eating 3 times a day, he told me to eat 5 times a day for optimum weight management.

Sakshi **Are you kidding me?** That doesn't make any sense. Apparently if you eat more, than how do you lose weight?

Pooja There is **more to it than meets the eye**. Actually, I'm taking the same amount of calories. I eat five smaller meals a day. That's the magic of dietary protein and fiber. Basically, it naturally speeds up the metabolism and helps to burn fat at a rapid pace.

Sakshi When put it that way, it makes sense. I'm going to try that in the **foreseeable future**.

Pooja You don't need to lose weight. You look totally fit.

Sakshi I have been trying to get into shape. I have joined yoga classes.

Pooja That's a great way to go about it but do remember to change your dietary schedule to improve your energy levels. Just follow through, and you will definitely feel more **revitalized**.

Pooja No problem. You will be transformed, believe me

TALKING TO A STRANGER

(Conversation inside a METRO)

Boy Excuse me!

[Girl with headphones on]

Girl Sorry, are you talking to me?

Boy Yeah, just need to ask you one thing real quick.

Girl Fire away.

Boy Which headphones are you using? They look very funky.

Girl These are Skullcandy's. The model name is 'Crusher'.

Boy If you don't mind, may I get a sound check?

Girl *(hesitantly)* Okay...there you go.

(After checking the sound quality)

- Boy** Wow, it is amazing. I was not expecting this. I have never been an admirer of Skullcandy.
- Girl** Yeah.
- Boy** How much did it cost?
- Girl** 6500/-.
- Boy** Amazing product at such a low price. Sound quality is extremely good. I mean, I could literally single out the sound of every musical instrument being played, the drum thumping, the bass throbbing the heavy guitar **riffs**, everything.
- Girl** Yes, Skullcandy is coming up with some really good products nowadays. You can try out other models as well like 'Hesh2' and 'Uprock'. These models are more than capable of giving anyone a feel of **eargasm**.
- Boy** Oh really? But now you have **germinated** a confusion in my head.
- Girl** What confusion?
- Boy** That which model is the best?
- Girl** Well you have tried one yourself. For others, you can go and check the reviews on the internet.
- Boy** Yeah I sure will. By the way sorry I forgot to introduce me, I am Harsh. I am a B. Com. final year student at Hansraj College.

SAYING “NO” POLITELY

JOE Hey Alex, how are you doing?

ALEX Hi Alex, I am doing good. How come you landed so **out of the blue**?

JOE I had some work two blocks away. I was just passing by so thought I should **drop by** and say 'Hi'.

ALEX I am glad you stopped by. Tell me what would you have, tea or coffee?

JOE I guess coffee would be great. Thanks!

ALEX So how is your job going on?

JOE I have left that desk job of mine. It was very monotonous. I have joined Amway now.

ALEX That's great. What's it like?

JOE As an Amway agent, my work is to promote their products by selling them out and also to encourage people to join Amway in order to craft a better and broader demand-and-supply network. As an agent you not only get rebate on the selling price of the product but also if any of your chain members down your leg sells out any product, you get a certain commission on that.

ALEX Sounds cool.

JOE In fact I believe you are yourself an avid user of Amway health products. I have seen you **chugging out** on Amway protein shake a couple of times in the gym. You too can **jump on the bandwagon** if you want. By doing that not only you will start getting cheaper products, you can also make it your source of earning by making a chain of members down your leg.

ALEX And what about my current source of earning? Who will do that job?

JOE That is not an issue. You can start on part time basis or at weekends. All you have to do is just attend an Amway seminar once in a fortnight where you can also learn the persuading skills to encourage people to join Amway as an agent and once you are confident enough you can also hold your own seminar, invite people who are well known to you and then try to convince them to become the member of Amway. Look the company tag itself **speaks volumes** about the quality of its products, so half of the battle is already won. You only have to just try to reach out to more and more people in your spare time just to get the brand name publicized.

ALEX Look Joe, I agree that the job is not bad and moreover if the product is genuine, there is no harm in endorsing it but trust me, I have no interest and wish to join as an agent. I already have many things at this juncture of my life to grapple with and I really cannot commit myself to any new affair. I hope I am not being rude to you but I am going to have a pass on it.

JOE No issues at all. May be right now you are occupied at all fronts, but later on at any point if you feel like jumping in, I am just a call away.

ALEX Yeah sure, **that goes without saying**.

JOE Okay then I will take your leave now. See you around. Bye.

ALEX Bye. Take care.

CONVINCING PARENTS TO PURSUE A DREAM

SON	Dad, I need to talk to you regarding something.
FATHER	Yeah Deepak, what about?
SON	It is about my career.
FATHER	Well, I am all ears .
SON	I don't want to join the army. I want to make my career in modeling and acting. I want to be a model and an actor.
FATHER	What are you talking about? Have your wits gone wool-gathering? Do not disgrace your forefather's name and try to be the black sheep of the family . Do you want to make me a laughing stock for the society?
SON	No dad, you are not understanding me. I am not cut out to be a soldier. All my natural predispositions are towards being an entertainer. Ever since I have started processing the world around me, I have always wanted to be an actor only. This is not a decision taken on the spur of the moment . You can even ask my teachers. They also firmly believe that I can entertain people. Entertaining comes organic to me. I love being the center of the ecosystem.
FATHER	Quit being a naïve. You are not a kid anymore. The modeling and acting world is a big maze of coordinators and casting agents, full of greed and carnal desires. Once you get off on the wrong foot , the image loss and the mental damage are irreparable. Moreover, Bollywood industry is still running as a mom-and-pop-shop. It is a family run business. It is very hard to break in for an outsider.
SON	Dad, every goal in the world has a goalkeeper but still people hits goals. I do not want to enter this field like a premature struggler. I want to study acting first. I want to go as deeper and learn every minute detail and technique. To begin with, I have already gathered all the information about the courses and the institutions.

Father: And what about society what will they think?

Son: What society thinks does not matter to me; what you do, does. We live in a free world. Why it is so **incumbent upon us** to be answerable to society for anything or everything we do **under the sun?**

Dad: Why don't you want to join army? Don't you love your motherland?

Son: I love my motherland as much as you do. Joining the army does not give anyone a stamp of patriotism and doing anything else other than that does not make anyone a traitor. You can serve the country well by even being a sweeper if your heart is in the right place.

Dad: Seems like someone has truly grown up real quick. I am proud of you my son and I respect your decision too. I was only trying to test your determination under pressure and now I am sure that you will certainly excel in what you want to do. Go live your life the way you want to. My blessings are with you.

Son (exulting in joy): That was not a bad performance dad. Seems I am not the only actor in the family. Thanks a lot. Love and respect.

RASHMI	Hola, I am fantastic. So what's new with you?
DIVYA	Not much, same old same old.
RASHMI	I was on the phone with my mother earlier today. I had a really long conversation with her.

RASHMI	Yeah, she's doing good. She sent her regards, by the way.
DIVYA	Well, thanks.
RASHMI	Yeah, while I was talking to her it came out of the blue . But she was telling me how I was a stubborn child back then.
DIVYA	Really? You were like that?
RASHMI	What can I say? It's hard to imagine anything like that. But it's true. I really had a hard time moving to different cities due to my father's nature of work.
DIVYA	Oh wow, that can actually be pretty traumatic for a kid to keep changing places and schools.
RASHMI	Yes, it was a total nightmare . Adjusting to a completely new school... new kids, new teachers, everything being new.
DIVYA	Oh, That sounds very unsettling.
RASHMI	It was quite overwhelming . As my mother tells me, I kept whining about it during the first few weeks, being at new school. And my stubbornness made it worse.
DIVYA	Well, at least I didn't have to move like you did. I mean, that can be really difficult from an academic standpoint when you have to do it in mid-year.
RASHMI	That's true. Only thing that kept me going was my interest in extra-curricular activities especially sports, dancing and singing. That made the transition easier.

DIVYA	That's marvelous. And you know what, you still enjoy dancing and singing a lot.
RASHMI	Right. I believe your hobbies and interests give your life real meaning. It helps you to break free from the monotony of life.
DIVYA	Well said. You have an amazing outlook towards life.
RASHMI	Well I am trying to keep it real and simple.
DIVYA	Yeah, that's just awesome.
RASHMI	Talking about my childhood experience, I was a spoilt brat and used to throw tantrums to get what I wanted. I've had some friends in schools and I am still in touch with them.
DIVYA	Really! Your personality has undergone a dramatic change. You know, you're more like an agreeable and amiable person now.
RASHMI	Yeah, everybody keeps talking about this transformation, I bet it's for the best.
DIVYA	There is no doubt about it.
RASHMI	Hey listen, I gotta go now. I've to reach home early today.
DIVYA	Sure, great talking to you. See you soon.
RASHMI	Likewise. Cheerio!

ASKING OR GIVING OPINION

Sanket Hey Rajiv! How are you doing? I need a little favor.

Rajiv Yeah, what it is?

Sanket Actually I was planning to watch this movie '*V for Vendetta*' this weekend. An office friend spoke very highly of it. I thought I should take an opinion before watching, because I really do not want to waste my time watching a hate-revenge action-packed drama with senseless butchering of people. Even if it is an action movie, there should be a story to connect. So tell me, have you watched this movie?

Rajiv Yeah, it is a wonderful movie, directed by James McTeigue. He has also worked on *Stars Wars* and *The Matrix Trilogy*. Hugo Weaving has played the **protagonist** exceptionally well. Once you have watched the movie, you cannot even think of any other actor filling the role. It has got a very gripping story line as well. You must watch it. It is worth every dime.

Sanket I knew it beforehand that a **true-blue cinephile** like you only could give me such an in-depth review. I will certainly watch it now. Thanks a lot.

CONVERSATION ABOUT RELATIONSHIPS

MEGHA	Hi there! So what's up?
KAJAL	O hi Megha! You know, it's Friday night, I just here came to meet someone.
MEGHA	That's interesting. Is it the same guy from work who asked you out ? It seemed like you guys just hit it off .
KAJAL	Yeah, a few weeks back we were having a conversation and we exchanged phone numbers. One thing led to another and he eventually asked me out . We are getting to know each other. He seems like a decent guy with a goofy sense of humor. Let's see how it goes.
MEGHA	Nice. I know it's too early to say but I bet there was a spark between you guys.
KAJAL	I am not sure about it. We have good chemistry but I don't want to lead him on .
MEGHA	Exactly same thing happened with me. My last relationship didn't have good start. I started to fall for him after we went out few times. We were together for 2 years.
KAJAL	So, what happened? I mean if you don't mind me asking why did you guys split up ?
MEGHA	That's absolutely fine. After more than a year, we started to drift apart . Mainly because there was little common. We had different interests, different career plans etc. it didn't really work out well. Eventually we had a falling out and I broke up with him few months back.
KAJAL	I am sorry to hear that.
MEGHA	Please don't be. I am over him now. I can't be in a toxic relationship for that long.
KAJAL	Yeah, you're right. My last relationship was crappy one too. I hooked up with a guy at Sandeep's birthday party and it lingered on for like six months before I eventually dumped him . We were constantly fighting over trivial issues and making up .
MEGHA	How did it end?
KAJAL	He was cheating on me. He tried to convince me that nothing was going on but I somehow knew he was lying through his teeth .
MEGHA	Right decision. Good for you.
KAJAL	Well, thanks. Nothing puts me off more than unfaithfulness in a relationship.
MEGHA	Yeah. It bums me out too.

KAJAL Yeah. I am actually thinking of **settling down**. I want stability and security in life.

Megha That's wonderful. But are you sure about it?

KAJAL Yeah, I am seriously considering it.

Megha Well, you will soon find someone.

KAJAL I am **backing myself up** on that.

Megha It's getting late. I will talk to you more about it sometime. I gotta leave now.

KAJAL That's fine. See you around.

Megha Take care!

Verb - I / II / III

Verb :- It is a word connected with action and there can be no sentence without a verb.

e.g. : (1) Please write your name. (write-verb)

(2) We read books in the library. (read-verb)

Read, write, dance, look etc are 'full verbs' as they have meanings of their own. Verbs like-is, am, are, was, were, will, shall, have, has, had, etc. do not have meaning of their own but help to frame sentence. These type of verbs are called 'modal auxiliaries'

Similary, verbs like- can, could, would, must, etc. also do not have meaning of their own but can be used only to help and form other verbs. These type of verbs are called 'modal auxiliaries'

Verbs have three forms and the correct usage of the same helps us to frame the sentence correctly. We shall learn about the same in this chapter.

Verb I - Verb in the Present tense

Verb II - Verb in the Past tense

Verb III - Verb in the Past perfect form-Past participle)

Ex. : Write, Wrote, Written / लिखता हूँ, लिखा, लिख चुका /

लिहितो, लिहिलं, लिहिलं गेले होतं / લખે છે, લખ્યો, લખી લીધ્યો.

Verbs I/II/III have to be thoroughly practiced by students as it is necessary to place them correctly while framing the sentence using the correct formula of the tense as well the auxiliary

Ex. : रमेश पत्र लिख रहा है / रमेश पत्र लिहित आहे / રમેશ પત્ર લખી રહ્યો છે.

Here the sentence is in the active form as 'Ramesh' is the Doer (कर्ता) in the sentence therefore 'Ramesh' is the subject, लिखना, लिहितो, લખવું. (Write) is the verb and the others are objects. As the sentence is in the present continuous form, the formula will be,

s+am/is/are+v+ing+o, therefore the sentence will be :- Ramesh (s) is writing (v+ing) the letter (o). Similar, sentence can be framed in other tense also. The formula Chart is mentioned in Chapter No. 5

Approximately 400 of the regular/irregular verbs with its past and the past participle forms are mentioned below. There are about 400 odd Verbs. Students are initially required to memorise atleast 200/250 Verbs and the rest can be done in due course of time. Regular verbs have 'ed' in the second & third form respectively; but irregular verbs don't.

Regular Verbs : Verbs where 'ed' has to be added in the past tense and the past participle are called regular verbs
